

CERTIFICATE OF RECOGNITION

This is to certify that:

**C.M.S.
CHELMIS MARINE SERVICES
120 Ethnikis Antistaseos
18648, Drapetsona – Greece**

has been assessed in accordance with the requirements of **Hellenic Register of Shipping** for carrying out loading tests for Cargo Gear and Mooring equipment for which H.R.S. is responsible for the issuance of relevant certificates.

Above firm is also accepted in accordance with the requirements of **Hellenic Register of Shipping** and **SOLAS 74 as amended** for carrying out periodic inspection, maintenance and testing of life saving equipment and launching appliances on ships the safety certificates of which are issued by HRS for the following manufacturing companies:

- **WUXI HUHAI MARINE EQUIPMENT FACTORY**

provided that:

1. Inspection, maintenance and testing will be carried out only by the responsible, authorized by the manufacturing company, technicians (as per attached page) and for as long as relevant authorizations are valid.
The authorized technicians will issue and sign the relevant certificates which will be accompanied by the corresponding checklists for the inspection and testing.
2. Above works shall be carried out in the presence of an HRS surveyor.
3. Inspection, maintenance and testing will be carried out in accordance with SOLAS requirements, IMO Guidelines, flag Administration's guidance and the relevant manufacturer's instructions.

This certificate is valid until **25/05/2019**, provided that any relevant requirement that may be imposed in the meantime by SOLAS, IMO or ship's flag Administration will be satisfied with.

Neither the Society nor any of its affiliated companies, branches, officers, agents, representatives, clerks, deputies nor any member of its staff in general is under any circumstances whatever or from any point of view to be held responsible or liable for any error or for any omission which might occur in the fulfillment of its duties or in any certificate issued by H.R.S. or on its behalf or for any publication or text of H.R.S. or of those acting on its behalf. The opinions expressed by H.R.S. through the assignment of its class to ships or other acts inherent to its functions cannot form the subject of any suit against H.R.S. The certificate of class is issued on the basis of the requirements and conditions as specified in H.R.S. rules of which the interested party has acquired full knowledge, accepting them unconditionally. The certificate of class or any other certificates or documents in general, issued by the Society or on its behalf, are liable to be invalidated whenever the actual condition of the ship, or installation, or appliances, or in general, parts concerned are found to differ from that on which the issue of said documents was based.
